

# Bethany Informer

Spring 2009

## Laurel Parc Opens!

Laurel Parc at Bethany Village, Northwest Portland's newest senior living community is now open! With its unique design and beautiful amenities, Laurel Parc offers Independent Living and Assisted Living options in studio, one-bedroom, and two-bedroom apartments.

Tours are available everyday. Beautiful views, bright and spacious apartments, and truly outstanding interior décor make the community a "must see."

Laurel Parc offers excellence in dining services and an outstanding program of life enrichment activities. The community has a theatre, fitness room, beauty salon, and a gardener's greenhouse.

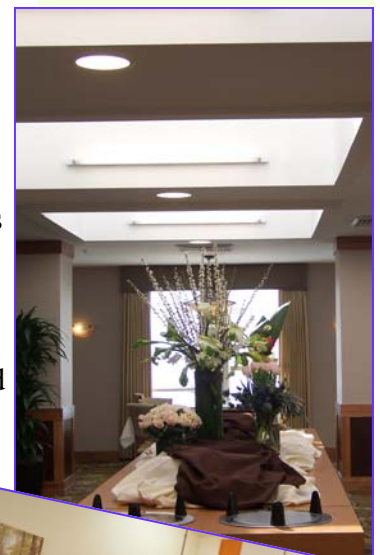

The "Choice is Always Yours" at Laurel Parc. Residents choose the lifestyle and amenities that they prefer. Opportunities for educational and social programs abound. Our bus and van transportation broaden our horizons for exciting outings to museums, winery tours, Broadway shows in downtown Portland, trips to the casinos, restaurant visits, cultural opportunities---and sometimes just a leisurely Sunday drive to look at the scenery.

To learn more about Laurel Parc, please call (503) 533-7979 to schedule a tour and lunch.

## Bliss Bake Shop

Bliss Bake Shop is Portland's newest cupcake bakery and we are excited to bring a little bliss to Bethany Village! All of our cupcakes are scratch baked each morning here at the bake shop. And all of the frostings, fillings and batters are freshly prepared from scratch from the highest quality ingredients available. We use fresh, organic or all natural ingredients and always buy local, hormone free dairy. We will also feature cookies from Wildflour Cookie Company (owned locally) and Tillamook Ice Cream.

Every member of the Bliss staff is passionate about our products and service. Whether you are ordering over the phone, visiting the store to purchase cupcakes or checking us out on the web, the bliss team is committed to making your experience a fabulous, friendly and, most importantly, delicious one. Founders Sarah Cariaga and her sister Jennifer Fast have a combined 28 years experience in retail, formerly working for companies like Hallmark, Eddie Bauer, The Gap and Nike. Sarah is excited to bring her long-time dream of owning her own retail shop to reality here at Bethany Village. Both sisters are frequent visitors of the Village merchants and both live in the area so they know what a great place it is. Sarah invites you to visit the website, [www.blisscupcakeshop.com](http://www.blisscupcakeshop.com), for more details.

### Office Space For Rent

## Library Expands

The Cedar Mill Community Library, a member of the Washington County Cooperative Library Services (WCCLS), recently signed a lease on a new space in Bethany Village. Plans are now underway to move the library across the street into the space totaling more than 4,600 square feet. This is 2 ½ times larger than the library's current space and will provide more room for books, children's programs and computers. The move will be completed early this summer.

Community response to the branch has been overwhelming. It was originally forecast that the library would loan 10,000 items per month. Actual lending in 2008 averaged 32,000 items per month and the library is now averaging 40,000 loans per month. The branch is on track this year to having the highest loans per square foot of all libraries in Oregon.

Cedar Mill Community Library is the largest non-profit public library west of the Mississippi. Since the library is not part of a municipal government with borrowing or taxing authority the expansion project relies on private support. Funding for the expansion comes from library reserves, the Second Edition Resale shop and local community support. As community members step up to support the library, the library will be filled with more books, computers and furnishings - making the Bethany Library a comfortable and attractive community resource!

### Oregon E-Cycles

Oregon E-Cycles, a new program created by Oregon's Electronics Recycling Law and financed by electronics manufacturers, provides free recycling of computers, monitors and televisions to anyone with seven or fewer items to recycle at a time.

For participating collection sites near you:
